Hello there,

I have a learning disability. People with a learning disability are listed as a vulnerable or at risk by the new government guidelines.

Please would you let me in to the priority shopping hours so I can buy the food I need? I might need additional support with my shopping during busy periods. It would be good if you could ask your staff to look out for me.

Thank you

**Guidance on social distancing for everyone in the UK (from Public Health England, updated March 23 2020)**

We are advising those who are at increased risk of severe illness from coronavirus (COVID-19) to be particularly stringent in following social distancing measures.

This group includes those who are:

- aged 70 or older (regardless of medical conditions)
- under 70 with an underlying health condition listed below (ie anyone instructed to get a flu jab as an adult each year on medical grounds):
  - chronic (long-term) respiratory diseases, such as asthma, chronic obstructive pulmonary disease (COPD), emphysema or bronchitis
  - chronic heart disease, such as heart failure
  - chronic kidney disease
  - chronic liver disease, such as hepatitis
  - chronic neurological conditions, such as Parkinson’s disease, motor neurone disease, multiple sclerosis (MS), a learning disability or cerebral palsy
  - diabetes
  - problems with your spleen – for example, sickle cell disease or if you have had your spleen removed
  - a weakened immune system as the result of conditions such as HIV and AIDS, or medicines such as steroid tablets or chemotherapy
  - being seriously overweight (a body mass index (BMI) of 40 or above)
- those who are pregnant
