

#KeepYourPromiseBoris

Mencap and lots of other charities are taking part in a **campaign** called #KeepYourPromiseBoris.

A **campaign** is when people work together to try to change something.

The #KeepYourPromiseBoris campaign wants the government to make **social care** better.

Social care is care and support which helps people to:

- look after themselves and their home
- be part of their community
- do the things they want to do

Mencap have some [easy read information about social care on their website](#)

In 2019, the Prime Minister, Boris Johnson said he was going to “fix social care”.

Mencap and lots of other charities have written a letter to Boris Johnson.

The letter asks Boris to:

- put a limit on how much money people have to spend on social care
- give more money to local Councils for social care

- make sure that care staff get paid more money because they do an important job

The #KeepYourPromiseBoris campaign has a letter which people can email to their MP.

The letter asks MPs to help to make social care better for the people who need it.

You can find out more about the #KeepYourPromiseBoris campaign and find the letter to email to your MP at
