

Get creative by adding your own decorations to your celebration and using lots of fun colours.

Below is a step-by-step guide to making your own paper chains for your Big Tea Party.

To make it more fun why not get your friends to join you and make it pre-celebration crafting session.

Get Crafting

You will need:

- Colourful paper (or plain if you add your own design first)
- Ruler
- Pencil
- Scissors
- Stapler and staples
- Tape, blue tac or pins to hang

What to do:

1. Cut strips of paper

Cut strips about 25cm in length and 3cm in width.

2. Staple the first one together

Staple to form a connected loop

3. Thread together

Thread the next strip through and staple to form a ring around the first.

4. Make a chain

Continue this way until you have a long paper chain to hang as a decoration. It can be as long as you would like it to be.
