Was it ever your dream to be a superhero? Well, here's the next best thing. Throughout the month of October, we want our superhero gamers to unite in a superhero themed gaming challenge.

If you have what it takes to beat a game quicker than the flash or score higher than the hulk, we need you!

Follow the simple steps below to join our elite team of supergamers.

You'll be saving the world, while also raising money for Mencap to make the UK the best place in the world for people with a learning disability.

1. Head to **Tiltify - Mencap** and click on the 'Start Fundraising' button to login or create your account.

2. You now get on with the fun stuff and start building your campaign page!

If you plan on making your fundraiser a livestream campaign add your Twitch, YouTube Live or Facebook account, but if it's not ready yet don't worry you can just skip this option and add it later.

3. Next you can personalise your page by adding your own video and image, but if you don't have one just get in touch so we can send you our Mencap Super Squad assets.

4. After that set your fundraising goal, review your campaign and then click on the 'Create Campaign' button to publish it!

5. Head to your Dashboard to personalise your thank you message and find links to your page for sharing.

If you're connecting it to your Twitch account, you'll also find your donate URL so you can add a donate button to your Twitch page.

1. Now you're ready to play away! So get your cape on and stream your superhero gaming challenge on a site like Twitch, YouTube or Facebook.

2. Share with your followers and on social media and start raising funds for Mencap!
