£210 could help provide access to sport and recreational activities so people with a learning disability can socialise.

Why fit in when you were born to stand out?

Stand Out Socks, are Mencap's official sock partner for Rock your Socks!

We share a passion to see a world where people with a learning disability are valued equally, listened to and included.

Stand Out Socks was inspired by Ross, a young man with Down's syndrome.

Like many people with a learning disability, Ross had struggled to find work. Brothers, Christian and Ross wanted to create a company where Ross would not only have a job but be the most integral part of the business.

Together they came up with **Stand Out Socks**. Their mission is to raise awareness, give back and make people smile with incredibly bold socks!

Only 6% of adults with a learning disability known to their local authority, in England, are in paid work. Something Mencap are working to change.

Purchase one of their two designs, Cloud 9 or Top of the Socks, selected by Ross for Rock Your Socks and £3.21 will be donated to Mencap.
